The College of Physicians and Surgeons of Ontario,

re: seeking public input as part of its review of its Physicians and the Ontario Human Rights Code Policy

I am a proud Canadian, the daughter of a Russian immigrant. I was born and raised in Canada, and taught that Canada was a Democratic Country which meant a Government which was ruled by the people of the people and for the people. I am a Retired Registered Nurse.

I do believe that a Physician and Surgeon should be allowed to refuse to provide a patient with a treatment or procedure because it conflicts with the Physician religious or moral beliefs.
