College of Physicians and Surgeons of Ontario
80 College Street
Toronto, Ontario
M5G 2E2

I urge the College of Physicians and Surgeons of Ontario to uphold the rights of doctors to and allow them to follow their own moral code and religious beliefs.

Is it so bad to believe in the sanctity of life?

Don’t doctors take an oath to preserve life?

There are plenty of doctors who don’t seem to have qualms about taking life. Please allow those who respect life and believe in their oath to carry out their duties as they see fit.
