The College of Physicians and Surgeons of Ontario,
80 College Street,
Toronto, Ontario
M5G 2E2

To whom it may concern:

Regarding the proposed new draft document:

"Where physicians are unwilling to provide certain elements of care due to their moral or religious beliefs, an effective referral to another health care provider must be provided to the patient."

I would like it to be known that I reject the proposed "effective referral" mandate for doctors whose charter right of freedom of conscience and religion must be respected.

Thank you for consideration of my letter.
